## **HULAMANA**

*Every Wednesday*

Experience Hawai'i's sacred traditions and history, passed down through the generations, as revealed in hula and chant. Storytelling is expressed in every movement and drumbeat. Hawai'i's unique hula differs from the dances of Polynesia. Hula Kahiko is the ancient form of the art. Hula 'Auana, or contemporary hula, is set to music such as guitar and ukulele, introduced after the arrival of Westerners.

## **SAVAII** *Origins of Polynesia*

*Every Friday*

Thousands of years ago, in the time of Sava'i'i Samoa, Polynesians settled the islands of the vast Pacific Ocean — Tonga, Fiji, Aotearoa (New Zealand) and Hawai'i. Sparkling with energy and talent, this acclaimed experience features the Samoan fire knife dance, New Zealand's Maori songs and the hip-shaking Tahitian tamure.
